

FoodPharma™ SoftChews

# PACK IN THE POWER

**FoodPharma™ SoftChews are packed with active ingredients** so you can offer great taste and functionality in every bite. Our skilled R&D team will work with you to customize a proven base formula that delivers twice as many actives per serving as gummies and masks off-flavors more easily. Plus, we have an over 2-billion-unit capacity to meet any SoftChews needs with quality and speed.

- **High-dose capacity:** Reduce the number of servings needed with more nutrients per serving.
- **Leading expertise:** Join the top brands in VMS today and work with our R&D teams to quickly and easily bring product visions to life.
- **Unmatched taste & texture:** Offer a softchew that consumers love that has just 20 calories per 5.5g serving.

**Packaging Perfected**  
SoftChews are individually wrapped for portability and safety. Choose from a variety of tamper-evident options, including pouches, bottles and wide-mouth jars.

**Swiftly Specialized**  
Our QuickLaunch™ process streamlines development by leveraging a vast library of proven, scientific formulas. You get a custom formula fast, fully customized.

**Customized for your brand**  
Satisfy a wide range of goals with a versatile base made from 100% plant-based ingredients. Popular options include:

- |  |  |
